No new business

Other Business: Mr. Adams reported that he checked on printing the booklet. Most of the printers wouldn't print less than 5,000. He is still waiting on General Printing for cost, as they did say they would do a smaller quantity.

Rick with the Optimist reported on the safety poster contest for this year and last year. There were 80 entrants, several unique topics. Topics included Seat Belt, Helmets, water safety, don't open doors.

The prizes will be the same this year as last year.

1st \$150

2nd \$100

3rd \$75

The teacher of the winning student will also receive \$100.

It cost approximately \$1200 last year and that is what is budgeted for this year.

The contest will run from March 1st to March 31st. Judging will done during the month of April and the winners to around May 1st.

Rick said he had an ideal to make the program self supporting. He would like to get the winner to sign the poster then have prints made have them numbered so that it can be a collectors item. Then sell the poster \$10 - \$20 this would make the program self supporting.

Mr. Adams offered to get the poster contest and the NWB on the cable channels.

Dear Mr. Reaves:

Neighborhood Watch is a very active not-for-profit organization [501(c)(3)] and program established for the purpose of making a difference in the safety of our lives, the lives of our children, and our neighborhoods, including yours, in the City of Columbia. Participants in the Neighborhood Watch training program learn techniques to (1) reduce the risk of being victimized at home and in public places, (2) recognize and report suspicious activities, and (3) address crime issues in their neighborhood and community at large. While the Neighborhood Watch training program continues throughout the year, an example of one new program is our partnership with the Downtown Optimist Club in a Safety Poster Contest involving all Columbia grade school children and their respective teachers.

Neighborhood Watch is very much in need of funding for current and future neighborhood safety programs, and Sam's Club can make an immediate difference. We hope we can count on Sam's Club to help the Neighborhood Watch program by making the most generous grant or gift you can as soon as possible. Please contact me at the number above if you would like more information or have any questions.

With grateful appreciation for your favorable consideration of this request,

W. Conrad Howe, Jr.
President

NEIGHBORHOOD WATCH

The mission of Neighborhood Watch is to provide information and assistance which encourages neighborhood involvement to be effective watchful neighbors with the goal of reducing crime.

Neighborhood Watch is a crime prevention program which enlists the active participation of citizens in cooperation with law enforcement to reduce crime in their communities.

BLOCK CAPTAIN'S TRAINING

Training is held twice monthly on Wednesday at 7:00 PM.

The dates for training are:

March 7 and 21 and

April 4 and 18.

The topics that are covered include:

- **Roles and duties of a block captain**
- **How to start a Neighborhood Watch group**
- **Recognizing and reporting suspicious activity**
- **Services and training available to the groups**

There cannot be a law enforcement officer on every corner so citizen involvement is essential to combat crime.
